Comments:

- There is no space at the local schools. Where are the extra children going to go.
- Traffic on the single road is heavy. You are likely to miss appointments. A minimum of 300 new cars all driving. It is a single lane road (Cardiff Rd) that needs fixing.
- There is no room at doctors surgeries. They are part time as it is and getting appointment becomes impossible.
- What happens when you put houses on greenfield. The land floods as it is. This will only happen again as the fields can't soak it up. We will get cut off again in Dinas Powys. New drainage won't do anything. You can't pre-judge rainfall or flooding.
- We were told the land would never be built on and the green wedge/green belt will be reduced.

P. S. Lady states that this is not a very disability method of consultation for visually disabled people to access the forms. e.g. Large Print forms.
