DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

I have lived in the same house in Eastbrook for 58 years and have seen traffic problems increase & increase to being now utterly ridiculous. This is a main route from Barry to Cardiff & the road just cannot cope as it is. Traffic is continuous from early morning until late evening & if Perry Turnpike is closed or any other roads then it becomes a nightmare with so much pollution & unhealthy. As for the ridiculous idea to build 250 houses in the fields here (which have always flooded) so it will be worse! where are the children to go to school? All schools are already oversubscribed!! What about the Health Centre which is already struggling with the amount of patients so you're lucky to get an appointment so where all these newcomers to go? Same with dentists - the lot can go on and on. And if every house that's built has at least 2 cars that will be another 500 cars trying to get in and out of Dinas Powys.

The government keeps on about well being yet they are happy to take away our green fields and country walks. I've walked and walked these fields & just feel there must be a better solution for places to build houses.

Soon all our wonderful countryside will disappear and we'll be left with non-stop traffic - sewers collapsing as this road was not built for such traffic and we don't need it. Leave Eastbrook alone and don't add any more development to what was a lovely place to live.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
