Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

I believe the Deposit RLDP should be amended to exclude the land at Northwest Barry for the following reasons.

Traffic - This site is not within walking distance of the station which will lead to excessive traffic from the site and possible isolation of non driving residents

Water + Sewerage - There is a danger of sewage entering the Millwood stream. The proposed ponds may have limited capacity and could attract insects and could be hazardous.

Land Use - This is actively farmed land with countryside habitats such as foxes and bats. Has a bat survey been commissioned? This proposal breaks the Green Wedge which is a fundamental step too far.

Previous Applications The 2014 findings were "development of this site would be detrimental to the capacity and free flow of traffic on this strategically important A426 which links directly to Cardiff Airport

Pedestrian Safety

There will be a need for a zebra crossing at the end of Portypridd Rd by the garage. Bus laybys will need to be constructed for the bus stops by the Cwm Ciddy

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
