Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

SITE REFERENCE/POLICY/PARAGRAPH NUMBER:

Agree/Support	☐	Disagree/Object	☐	Comment	☐	No Comment	☐
---------------	--------------------------	-----------------	--------------------------	---------	--------------------------	------------	--------------------------

Comments:

Increased congestion - 250 homes could bring 300-500 additional cars. Cardiff Road and Culverhouse Cross are already at capacity 5 years ago and there have been no subsequent upgrades.

Increased flooding - water run off from the Eastbrook site will enter the Cadoxton River which has burst and flooded homes in Dinas Powys many times. More homes means more discharge of raw sewage into the sea.

Doctors and schools are already at capacity, local primary and secondary schools are full and oversubscribed. No ongoing consultation with GP service.

Emergency services, first responders, A&E and maternity facilities will all be directly affected by the additional demand and congestion brought on by the development.

Loss of wildlife - development will destroy vast habitats for wildlife.

Reduced green belt - big reductions to the green belt boundary merging Dinas Powys to Llandough. These boundaries are meant to be protected spaces, not adjusted to fit an agenda.

Active Travel - limited access to Eastbrook train station. No viable pedestrian access and inadequate parking at the station. Cardiff Road already at capacity. Highways have already objected to this development due to this reason.

Losing village identity - Dinas Powys population is continually increasing and will lose its identity as a village.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Yes	☐	No	☐	Don't know	☐	No Comment	☐
-----	--------------------------	----	--------------------------	------------	--------------------------	------------	--------------------------

Comments:

There will be more non Welsh speakers due to the large influx of social housing tenants who's demographic is majority non Welsh speakers. This will lead to a dilution in the use of Welsh language in the area.

Please attach additional pages if required.
