Subject: Develop of land at Church Farm, St. Athan

You don't often get email from [REDACTED]. [Learn why this is important](#)

I live in Higher End in St. Athan. I moved here 12 years ago because I wanted to spend the rest of my life in this lovely village. [REDACTED]

[REDACTED] I am very upset that you unfeeling people want to destroy our lovely village by building a huge estate of houses nearby which will destroy the whole character of this village. Have you considered the people who already live here?

You will take away the heart of our village and turn it into just another large soulless estate.

I'm sure none of this will be considered by you, coming as it is from [REDACTED]
[REDACTED] who has nothing better to do than moan.

Please be assured I am very very concerned about what you are doing and plead with you not to go ahead with these plans.
