The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Comments:

HG1 KS2 - housing development, Cardiff Road, Dinas Powys

I object on the grounds that this is not an appropriate site for this development.

Transport - The infrastructure in Dinas Powys & surrounding areas is not sufficient to cope with the level of demand that this new development would require. Transport links are already difficult with an extreme level of congestion, particularly at peak times. The train times have changed which makes it difficult to travel by train to Cardiff centre and even with more frequent trains, many families struggle to use public transport or active travel for work given the school drop-off and pick-up times. The active travel routes are unacceptable for the area making this not only impractical but unsafe.

Flooding - Dinas Powys is already a flood risk area and building on nearby land without significantly upgrading the infrastructure will lead to more problems with flooding.

Sewage discharge - This is also an area with beautiful coast and many people enjoy water activities in the sea which already suffers with pollution and will suffer more sewage discharge from these new homes negatively affecting peoples' health and wellbeing.

Habitats and green space - Building on this green space will destroy habitats which will be detrimental to an already struggling ecosystem. Doctors and schools in Dinas Powys are already struggling and this development will increase pressure on local services.

Village identity - finally, the village identity in Dinas Powys should be protected. It is the size of the community that allows local groups like Dinas Powys Voluntary Concern and the Dinas Powys Music Festival to thrive. As a village, local residents feel pride in our community and eroding the boundaries will be detrimental to that.

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English.
