Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

HG1 KS2 I like many Dinas Powys residents have serious concerns with this application. We have concerns and issues with the following.

Traffic flow on the Cardiff Road, not only at peak times but throughout the day, this includes traffic coming from Barry going into Cardiff.

There are issues with the availability of doctors appointments currently, even without future increases in local population.

Lack of dentistry.

School availability and the severe congestion at school opening and closing times.

There are also concerns regarding surface water flooding, which is likely to increase over time due to global warming and anticipated wetter winters.

Traffic flow and traffic signal timing at the "Merry Harriers" junction and the Cardiff Road junction with Redlands Road, impacts the traffic flow through Dinas Powys.

The signal sequencing and road condition at the "Barons Court" junction with Penarth is deteriorating.

Any increase in housing in and around Dinas Powys will also increase the traffic flow "rat run" via Penyturnpike Road to Leckwith which is a narrow and poorly maintained highway.

Dinas Powys is also subjected to power outages, has electrical capacity been factored into this project ?
