RE: HG1 KS2

Congestion is already at its limit for this area surrounding the proposed plans, particularly the road itself adjacent (Cardiff Road), this would cause untenable congestion issues as well as parking and increased road damage issues.

The road also leads directly to the hospital, so the increased congestion would inevitably impact and cause serious risks for the ambulance service in reaching destinations, including getting patients to emergency services in time.

The village is small at services are at capacity, including schools, dentists, gp surgeries etc., so this proposal going ahead would cause multiple issues for both local council and residents.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
