Dear Sir/Madam,

Ref HG1 KS2

With regard to the proposed new homes in Dinas Powys, we strongly object as being a resident for the last 80 years this project would cause chaos to an already over burdened infrastructure, which would have a detrimental affect to schools, health, traffic etc.

More detailed outlined proposals would be appreciated. The current plan would appear to disregard the above details.

I would be grateful for your reply on this matter.

Regards

Yours faithfully

Mr & Mrs M A Hayley
