Planning Reference: HG1 KS2

I am submitting my objection to the plan to build 250 new homes on land behind Georges Row in Dinas Powys.

In recent years Dinas Powys has had significant new developments at Cearwent Gardens and Scholars Park, as well as smaller developments near Hebron Hall and St Andrews School.

The infrastructure around Dinas Powys is already stretched to breaking point. The proposal will make worse -

- the congestion on routes in and out of the village. Cardiff Road has been a regular 'log-jam' during busy periods for the 20 years I have lived in Dinas Powys every new development adds to the congestion.
- the ability of Emergency Services to respond during times of congestion
- increased road traffic pollution at busy times because of increased congestion, worsening the health and welfare of those who live in the village.
- the likelihood of increased flooding as yet more 'greenbelt soak away' is covered in concrete. The Cadaxton river has burst its banks and flooded homes many times causing misery for existing residents.
- local services such as a doctor, dentist, and schools which are over subscribed
- the plight of the wildlife as vast natural habitats are permanently removed.
