Planning reference HG1 KS2

I object to the above planning reference. I am extremely concerned about the traffic in Dinas Powys. I worry that the pollution from additional traffic will impact me. I moved out Cardiff City centre for a more peaceful and healthier lifestyle. However, the traffic through Dinas Powys is utterly dreadful. I already think the current infrastructure is at it's limit and I believe the housing development will make already awful congestion in the area unbearable. I fully support the need for more housing to be built in the vale, but 250 new houses right next to an extremely congested road is a complete nonsense. I implore anyone who supports this development to drive through Dinas Powys during the day at various times, and they will clearly see that this plan is poorly thought out.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
