Subject: OBJECTION TO PLANNING REFERENCE NUMBER HG1 KS2

Dear Sir/Madam

I am submitting my strong objection to the above planning of 250 houses in Dinas Powys (planning Number HG1 KS2)

I cannot believe you are considering building more houses in a village already at capacity.

It will mean increased congestion. The traffic out of Dinas is dire already.

Flooding will only get worse as YOU are taking away our greenbelt.

There is one doctors surgery which is already struggling having had to take on clients from 2 Penarth surgeries that closed down and the new housing developments.

Please stop all this madness as this affects you too and future generations

Yours sincerely

Janet Rayer
