I'm utterly shocked as to think you think it's ok to build more houses on are only green space, it is used by all, for walk dog grandchild play safely. Why do you need to build more houses it's not viable for the village and certainly not for us the residents on the estate.

Thanks

Morning, sorry for not putting in the New Build plans, it's on Clive Road Field, the proposal over private land which the local resident have paid for and maintain, this will be a big loss. We don't have enough open green space as it is.
