To Whom it may concern,

We strongly object to 250 more houses being built on Seal park area in Dinas Powis. We have lived in this area for 20 years, And travelling back an fore work has been a nightmare since the St Cyres, Behind Eastbrook train station also cross common road sites were built. It is quite obvious that whoever pushes the button for this development to go ahead is due a big brown envelope. Total disrespect to the people who live in this area so far. We do not have enough facilities in the area as it is. Hence waiting 2 weeks just for a phone call from th3 doctor!

Kind regards

Sarah & Lee Murphy
