Hello,

I would like to leave a comment on the proposed new housing development in Dinas Powys.

I completely support it. I personally have four young children and I am struggling with housing [REDACTED]

[REDACTED]

All my children are in the local community [REDACTED] in which they are all thriving and are very settled.

I would desperately want one of these houses to support my family. We are all part of the community in dinas Powys and would very much like to stay here. The children are settled and we would like to stay in dinas Powys.

I hope this is positive feedback for the plans .

Thanks
