Subject: Clive Road Field

DON'T CLOSE/BUILD ON THE FIELD 🙄

That field is there specifically for walking the dogs around because there are alot of animals around here and there to play with them on too

If that goes there's gonna be nothing left you've already built on the last field a few years ago and now you've gone too far I don't want that field to go like I said it's there for a reason for walking and playing with the dogs and because alot of animals around St Athans

SAVE THE FIELD 🙏

NO BUILDING ON IT 🙄
