Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

SITE REFERENCE/POLICY/PARAGRAPH NUMBER:

Agree/Support	☒	Disagree/Object	☐	Comment	☐	No Comment	☐
---------------	--	-----------------	--------------------------	---------	--------------------------	------------	--------------------------

Comments:

We write to support Policy SP14 'EMPLOYMENT GROWTH' and in particular to the Policy's allocation of of Bro Tathan Business Park.

We note and welcome that the policy allocates additional land at the Business Park compared to the Preferred Strategy consultation document. The Bro Tathan Business Park has the ability to cater for general employment demands, but also has very significant potential to cater for highly specialised/niche employers which require air-side facilities and/or very large single site opportunities.

We note that the Employment Land Study identifies 66.7 hectares of net developable land at Bro Tathan, which we understand reflects areas with planning permission and an application currently pending determination at the eastern zone. While we believe that, depending on tenant/developer demand, Bro Tathan Business Park could accommodate additional development in the Plan period, we note that the whole site is protected as an existing employment site under Policy EMP3 (4). As such, any further development would be able to be determined on its merits and considered to be in accordance with the Development Plan in principle. We consider, therefore, that the Plan accommodates sufficient flexibility to meet changing requirements which could potentially exceed 66.7 hectares at Bro Tathan Business Park.

Finally, given the Welsh Government's objectives for the site to cater for general employment demands (including specialised/niche employers, operators requiring air-side facilities and inward investors seeking a very large single site opportunity), we consider the policy should refer to "Bro Tathan Business Park" rather than "Bro Tathan Aerospace and Business Park".

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
