DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

I subject to this site being used for the extensive number of houses being proposed for the following core reasons:

- Road transport in this area is already at it's limits. Cardiff Road is mostly a single lane and regularly congested on weekdays and weekends now. Pen-y-turnpike is a dangerous road when busy, which is becoming more common, with accidents becoming more frequent. I regularly witness emergency services blocked along this road, unable to reach their destination in adequate time due to the congestion. This is only going to get worse.
- Trains are already at their limits. Often near impossible to get on the train in rush hour into Cardiff. Given there are no plans to add additional jobs to the area, assume all these residents will need to commute. Eastbrook is not accessible for those unable to cross the bridge (eg those in wheel chairs, prams etc). What plans are there for these residents?
- I cannot see any plans to increase services such as doctors? This service is already at it's limits - there are not enough appointments for the residents as it stands, let alone more
- Flooding is a constant concern in the village. This open space is vital to keeping our housing flood-free. Building on this land brings risk to the existing houses.
- Dinas Powys is a village. Residents have chosen to live in a village. This extension will take that identity away

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English.
