The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The proposed development will significantly add to traffic congestion and air pollution. Long tailbacks from the Merry Harrier's junction are a daily occurrence and any additional roads joining the junction directly or indirectly will inevitably increase the congestion. In addition, the volume of traffic entering Dinas Powys from recent Barry developments has been considerable.

Consideration must also be given to pedestrians who also have to safely navigate any new road layout.

The development will put further pressure on the local infrastructure, in particular medical care which is already functioning at capacity.

There is an increased risk of flooding in low lying areas as drainage improves from the run-off of the new houses.

This is a green-field development which will reduce the boundary between Dinas Powys and Llandough and will no doubt set a precedent for similar development applications in future.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
