Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) **and specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

proposed site 4069 Colwinston

Over developments
Taken together with recent developments in the village the proposed growth of the settlement is not proportionate to the scale of the historic village and is damaging to its conservation status and community cohesion. It is not supported by evidence of settlement based housing need.

The transport infrastructure is inadequate for any further developments.
The lanes are narrow with high hedges
Access on lanes for walking and cycling are already very challenging and dangerous , any future developments are only going create a more hazardous environment.
The assess on to A48 at 2 points from the village are horrendous at best of times and further developments can add to the problem.

The site has already been submitted and rejected owing to its unsuitablity by the local authority and I see no reason that the same conditions should not apply.
