DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

SITE REFERENCE/POLICY/PARAGRAPH NUMBER:

Agree/Support	☐	Disagree/Object	☒	Comment	☒	No Comment	☐

Comments:

Site ID 4069 East of Colwinston

The redrawing of the Village Settlement Boundary by the Vale of Glamorgan Council in order to include this site in the LDP proposals without due consultation is undemocratic and legally questionable.

Further development will cause major change and irreversible damage to the village heritage status.

There is a lack of village and local facilities to support additional houses.

The village lacks any form of public transport with the nearest public bus stop being situated circa one mile away on the A48 accessed by having to walk country lanes that lack pavements and risk the danger of having to use the lanes frequented by vehicles entering and leaving the village. Crossing the A48 for buses travelling east is highly dangerous.

An additional 25 house development will increase the car traffic within the village by a minimum of 50 car journeys daily.

Currently the village lanes are incapable of coping with the existing traffic flow.

Vehicle entry and exit via the A48 is highly dangerous and can only be more dangerous if additional vehicles are introduced as a result of further development.

The proposed site removes prime agricultural land from being used in food production at a time when the VOGC should be supporting the farming industry in the area.

For all the above reasons the inclusion of this proposed site in the LDP would further damage a beautiful rural village and be further evidence that our local council has little regard to the well being of the rural Vale and its residents.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
