Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

This relates to planning reference HG1 KS2

I object to this plan for the following reasons:

1. Increased congestion on Cardiff Road. The congestion on Cardiff Road is already a major problem, and this will only worsen if this plan proceeds. The roads will be gridlocked, which will affect local businesses, as well as cause greater risk for emergency services not to reach their destinations within a reasonable time.
2. Doctors and Schools are already at capacity. Local primary and secondary schools are already full and over-subscribed. It is already almost impossible to see a doctor in Dinas Powys. This plan will only worsen these situations.
3. Increased flooding. Water run off from the Eastbrook site will enter the Cadoxton river which has burst its banks and flooded homes in Dinas Powys many times. More homes mean more discharge from raw sewage.
4. Loss of wildlife and reduced greenbelt. The planned development will destroy vast habitats for wildlife. Green belt boundaries are supposed to be protected spaces.
5. Dinas Powys will lose its village identity with the increased population.
