I strongly object to this proposed new housing development as it will have an big impact on the village if the 250 homes are approved

It will bring further congestion to our roads and especially Cardiff rd as it is one of the main roads used as a thoroughfare. The road is always busy with traffic and slow moving and with potentially further cars from the new houses will be a nightmare.

The local schools will not cope and they are over-subscribed already. Also doctors in Dinas Powys are at capacity as trying to get through to them at present times is very difficult and it will be worse with these further homes if built

There will be increased flooding to homes as it is at a high level now which has damaged homes due to the river cadaston bursting and I as a resident was affected by this a few years ago

Please attach additional pages if required.

With all these things & issues in mind this new
housing development simply cannot go ahead
