I wish to lodge my objection to many aspects of the LDP and proposed developments in the Vale of Glamorgan, in particular those at Green Farm, Barry and further proposals for new housing in Rhooose.

The grounds for my objections are:

Lack of infrastructure to support these developments eg roads, drainage, sewerage

Loss of valuable green wedge

Loss of habitats and biodiversity

Traffic congestion increase

Over development within the County

Increase in pollution from queuing cars on Port Road, Pontypridd Road and 5 Mile Lane due to congestion at Weyvock Cross
