We are objecting to the inclusion of site ID 4069 East of Colwinston as a Candidate Site for Housing in the RLDP on the following grounds:

1 Highways

Much of the village of Colwinston particularly in the Conservation Area, has no pavements and the extra use of cars from the site would affect safe walking, cycling and riding through the village.

2 Transport

The village has no regular direct links to public transport and consequently the site is unsuitable for affordable housing.
