Comments:

Increase in traffic on roads that are already congested. This impacts not only Barry but the surrounding areas.

Emergency access for ambulances and fire engine would be impacted especially in the case of an emergency at the airport.

Green belt land should not be built on, this is detrimental to our wildlife.

This will cause more flooding as we are taking away green fields that soak up the excess water.

Pressure on GP's, dentists and schools. It is already difficult to register with these services.

The website is difficult to use!

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
