Comments:

this development is just too much and in the wrong place.

traffic is already very bad on the road in and out of the village and that many houses will gridlock the road every rush hour.

There are not nearly enough places in the local schools and the doctors is full so how can these hundreds of new people going to access services?

more housing is needed but this is too much and too concentrated.

The ground is very wet and boggy so how can you build on that?

Please attach additional pages if required.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or

negative? Please explain
