You don't often get email from [REDACTED]. [Learn why this is important](#)

I am writing to object to the proposed development on Cardiff Road .

250 houses on what is left of the small amount of green space between Llandough and Dinas Powys is an absolutely ludicrous plan.

The junction at the Merrie Harrier Inn is currently at a critical state with the excessive hospital traffic, to add another 250 homes which possibly means possibly 250 cars is going to create a very dangerous situation indeed.

This is a dangerous plan which will cause immense congestion on what is already an excessively busy road and it should not go ahead.
