

Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

HG1 KSI - Land at NORTHWEST BARRY.

As a long term resident of this area (nearly 50 years) it has become obvious to me that the volume of traffic is currently over capacity. Walking along the length of Pontypidd Rd. and onto Port Rd, the traffic fumes from queuing traffic are evident and unpleasant. I am disappointed that plans, turned down, previously, have been overturned. The problems are much much worse.

I note that run off from the development + roads will make its way into the Rant Stream and eventually into Porthkerry Park. This stream already has sewage making its way from the over worked Pumping Station, during heavy rain!! Therefore environmental impact will be compounded by excess water run off.

The extreme amount of houses + buildings proposed is much bigger than the original
