## 2: Your Views

### QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

Comments:

The proposal is well thought out.

Infrastructure

The doctors surgery is incapable of dealing with current demand and has not been consulted.

The roads are gridlocked. Anyone trying to get to work has to wait a long time. Any more traffic

Trains

although the trains have now caught up with current demand, it is now at an anticipated use.

The parking at Dimes is now exonerated.  
The parking at Eastbrook is over/used.

Exhaustive Issues

This is a serious concern.

Traffic entering Condyll road is at an excessive period of time (see above) with an impact on local businesses and a lot of people with chest infections.

The Village

This is a village that does not have the shops to sustain 250 houses.

This is a planning policy. Think things should open up elsewhere.

## QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Comments:

There are two schools in Dinas Powys.  
Neither is a Welsh school and access to Parent  
play card/fund is not sustainable (see comment  
on previous page)

This problem is likely to cause serious concern  
on Welsh secondary education refers to Welsh primary  
and easy transport links which don't exist

There is no walk-in route despite the suggestion

There is.

Please attach additional pages if required.
