Comments:

#### OBJECTIONS:-

- 1) Increased congestion on an already extremely busy and gridlocked road.
- 2) INCREASED flooding risk. The proposed location floods numerous times in the year. This will lead to further instances of the cadoxton river bursting its banks and flooding homes, as has happened many times before in Dinas Powis.
- 3) An unacceptable increased pressure on services such as Doctors and schools that are already at capacity.
- 4) Environmental factors. This development will swallow up yet more green space and destroy habitats and wildlife. This will also merge Dinas Powis into Llandough. Dinas Powis will lose its village identity.
- 5) NHS Services - emergency services, first responders, maternity services will all be directly affected by increased traffic load and congestion.
