Comments:

I Object to HG1 KS2 Eastbrook because our roads and Eastbrook Railway Station are already clearly overstructed to full capacity - Adding more cars/passenger to an already overstructed capacity is unsafe and unsustainable.

In addition, there is a very real risk of increased flooding, more home means more discharge of raw sewage - Has an recent flood risk ^{assessment} for ~~the~~ ^{area} Dinas Powys be made with respect to additional homes being proposed?

With the out dated drainage system in Dinas Powys, how will the proposed additional 250 homes effect this current situtation?

From my own experience [REDACTED] and many other areas in Dinas Powys, the out dated drainage ~~SD~~ system caused a major flood last year in october. How will this be addrened? as the current infrastructure cannot cope!!
