Comments:

I strongly object to HG1K52. As a resident of Dinas Powis for nearly 60 years

I am only too aware of the congestion on Cardiff Rd - often nose to tail & very difficult if emergency vehicles want to pass. The proposed development plans have not provided the required traffic modelling. Suggestion of walking & cycling over car-deposit travel are made - pollution at the moment from the traffic, not to mention ^{with} more vehicles - makes this a very unpleasant experience, as well as dangerous with pavements not adequate for pushchairs/wheelchairs. - accessibility to Eastbrook is very poor.

Horrified to see the proposals that our green space will be destroyed. - wildlife is thriving & living on a very busy road - this is where we walk as a family. The development conflicts with the Well-being of Future Generations Act which has a duty to improve the social, environmental & cultural well-being of Wales.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
