Comments:

The proposed new site development in Dinas Powys will greatly increase the amount of traffic in the area.

The Cardiff Road is already gridlocked for most of the day - Emergency Services have difficulty getting through.

It will also have a huge impact on schools, doctors, dentists. Schools are already over crowded and GPs and dentists do not have the capacity to take on extra patients.

There is no disabled access at Eastbrook train station, not allowing for wheelchair users to access both sides of the tracks.

Dinas Powys already has great problems with flooding. The proposed new site is already a flood risk, building on this land will only make this worse. Where will the water go?

I have lived in Dinas Powys since childhood, the main reason for this is because it is a lovely village with a close community.

The development of these housing estates will take away the village feel to Dinas Powys.

We will end up with one big housing estate from

Barry to Llandough. This is not what the residents of Dinas Powys signed up to. The residents of Dinas Powys enjoy the green areas for walking - improving physical/mental health.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Comments:

Dinas Powys has a Strong Welsh Speaking Community.
There is a risk we will loose this community +
Village Status with this proposed development.
