The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

As a resident of Dines Ponys, living on Munch Crescent within 1km of the proposed site, I strongly object to this development. The village lacks the infrastructure to support 250 additional homes.

The scheme relies on an already congested road network that has operated at or beyond capacity for years. The level of traffic at Cerdith Road directly impacts on my commute, and at certain hours of the day, already struggles to operate. Local schools, and NHS services are overstretched.

Parking at Eastbrook St is routinely full. The bus services in the area are not fit for purpose.

Development here would increase flood risk, potentially affecting nearby properties and cause unacceptable ecological harm. It would erode

Green belt land and fundamentally alter the character and identity of the village, including negatively upon the Welsh language and culture.

Please attach additional pages if required.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Comments:

This may impact schools. Welsh language education is something very important to me, as someone brought up through the Welsh language. The proposed scheme may impact on admissibility for neighbouring Welsh schools.

None of the communication about the 250 homes prioritises the Welsh Government's ambition to reach 1 million Welsh speakers by 2050. It would negatively impact the Welsh language feel and identity of this village.
