The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

Comments:

Although understanding the requirement for additional housing, the current proposal and location is at odds with the impact of traffic on the Cardiff road, between Dinas Powys and routes to Llandough and follow on to the A4232, also alternative traffic proceeding to Cardiff centre and M4 link.

If any future housing are placed on this area a complete change is required in the road infrastructure and the infrastructure of the local area, or the residents (current) of Llandough and Dinas will be gridlocked daily by traffic congestion. I saw this first hand when the Mill development at Ely Bridge was constructed, traffic is now at a standstill at certain hours of the day.

Please attach additional pages if required.
