My complaint

① BENEFIT

The 250' house development needs to be evaluated in terms of proportionate benefit + loss. There will be some benefit but the loss far outweighs the benefit.

(1) Cardiff Road at this point is one of the busiest in the length & breadth of the Vale Council area. Every day I drive there and have to endure ever increasing congestion and air pollution.

Such damage to mental health
(2) The Air Quality is a physical danger for walkers to the station at Eastbrook and to the Llanvoryn Hospital.

(2) COMMON SENSE

As priorities are evaluated. Common sense seems overwhelming in this is the wrong place for this housing development.

(3) Community

Community quality of life — Dinas Powys & Llanvoryn will be so harmed particularly with failure of adequate public services.

(4)

Access / Parking

My home has a garage/parking space next door.
rented from Seel Estates.

This off road parking would be lost.

Also a NO8 exit from the parking space would be impossible.

(5) FLOODING

Building a new access road could create/add to flooding problems.

My home has already suffered from flooding.

There seems to be no practicable design for widening the access over the top of the stream/brook
