Comments:

I am submitting this statement as someone who lives very near to the proposed building development.

First of all the extra traffic this will cause is a nightmare in the morning, some days now myself + neighbours cannot leave our side road to get on to the main road and that before you get to the problem with the air quality. Also the buses will alter their timetable due to the time it will take to drive along the main Road also Ambulances - Police + fire. Then you have not taken into account the flood risk! everywhere!!!

Where are all the extra people going to access G.P. services, dental services etc, as what the area have now are more than full.

The same goes for schools.

Back to flooding After being flooded once years ago I would not want to go through that again so losing the natural soak-away ~~fields~~ fields fill myself + family with dread.

I think as a Council do not think this through would leaves for compensation claims if this were to happen. So my objection to this ill thought out plan to build these houses are for:-

flooding - ~~Public Transport~~ Public Transport - medical G.P. + Dentist - Schools
Air quality, plus the increase in population.

Catherine A. Jones. (Mrs.)
