The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

SITE REFERENCE/POLICY/PARAGRAPH NUMBER:

HG1 KS2

Agree/Support	☐	Disagree/Object	☒	Comment	☐	No Comment	☐
---------------	--------------------------	-----------------	-------------------------------------	---------	--------------------------	------------	--------------------------

Comments:

I object to the allocation of site HG1 KS2 for development. The proposed development would have a negative impact on the surrounding area and existing community. It would place additional pressure on local infrastructure, particularly roads, which already experience congestion and are not suitable for increased traffic.

The development would also result in the loss of valuable green space that contributes to the character of the area and supports local wildlife.

Local services such as schools and hospital and transport are already limited and may struggle to accommodate further housing.

The proposed allocation would have a negative impact on the community and the surrounding environment.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Yes	☒	No	☐	Don't know	☐	No Comment	☐
-----	-------------------------------------	----	--------------------------	------------	--------------------------	------------	--------------------------

Comments:

The proposed development could have a negative impact on the Welsh language by increasing housing in the area. Without clear measures to support and promote the use of Welsh.

Large development may bring people from the outside the local community, which could reduce the proportion of Welsh speakers and weaken opportunities to use the language in everyday life.

Please attach additional pages if required.
