Comments:

- ① Why have the Vale Council made the form online so hard to navigate a jill in out objections to the proposed build in Eastbrook. I believe it was deliberate so that many people give up.
- ② The traffic congestion through Dinas Powys especially Eastbrook, a new build can possibly add another 500 cars causing even more disruption. I have heard that there will be another set of traffic lights before the Merret Harrier lights, which will cause more chaos. What about emergency vehicles i.e. paramedics, Ambulance and Fire services ???
- ③ The risk of flooding. Dinas Powys was flooded in 2020 Flood prevention measures have not been taken into account. These fields are practically impossible to navigate during winter months because of standing water on the fields - where will this water go if houses are built here - down into Cadixton river causing even more flooding.
- ④ I believe that the independent examination will be carried out by RFDW. [REDACTED]
- ⑤ These houses are supposedly being built because of the active travel route - the Eastbrook station is totally inadequate especially for disabled persons, elderly & Mothers with push chairs or prams.
