The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Comments:

I am resubmitting as I hadn't noticed the reference that was needed for this objection. It has been unnecessarily difficult to submit these objections.

I object -

Schools - already oversubscribed. Children from Dinas Powys unable to get places.

Doctor's Surgery - will be overwhelmed, already working full speed to service current population.

Green Spaces - this is good farming land we need to produce our own food + we need places to walk for our mental health

Green Wedge - erosion of land buffering us from Llandough / Penarth.

Climate Change - more traffic, more pollution, increasing global warming.

Lack of Amenities - no shops / amenities in area meaning car journeys necessary for everyday outings.

Flooding - land is already saturated, more concrete - means more flooding less land to absorb water.

Wildlife - loss of habitat for bats + newts

Stations - railway at Eastbrook has no access for pushchairs or wheelchairs.

Traffic

Please attach additional pages if required.

Cardiff Road is already grid-locked all day. More cars trying to access it at peak times will make it unviable.
