Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

Comments:

Readers Way HG1 KS3

I am objecting on the grounds that this site will have a significant impact on the residents of Readers Way; Celtic Way and Fontygary Road and adjoining neighbourhood in the Rhoose Ward. The traffic from over 500 new houses would cause significant stress on an area that is restricted by size and infrastructure. The junction at Fontygary Road and Fonmon Road (Fontygary Inn) would also be compromised

Sewage: Welsh Water have already shown that capacity for sewerage is at capacity, and with raw sewage already being poured onto our beaches it can only get worse.

Wildlife: Many species of plants and animals are protected. The protection applies to the habitats of bats, otters and many other animals, as well as many plants.

Infrastructure: There is only a One Stop Tesco and although walking distance an elderly person would not be able to traverse this on safety grounds, and carry shopping, whilst the store does not have capacity to stock a variety of goods.

Health Services: There are only two Doctors and one Dentists in close proximity and are already at capacity.

Education: All local schools are at capacity. The only Secondary Education is undertaken in Cowbridge which is at capacity as is Whitmore High School.

Building on Green Wedge is generally restricted, with a strong presumption against 'inappropriate development'.

Green wedges are designed to keep areas open, maintain the character of the countryside.

Travel: There is only one bus per hour when it runs and only one train per hour. Walking time to the train station would be at least 15 minutes depending on age.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
