Comments:

HGI-KS3 The reasons for disagreeing with this candidate site is it is located in the wrong place, and no one has taken into count the increase traffic or the increase of drainage and sewage in the area or the lack of infrastructure ie health or dentist service and the lack of active travel, and have not taken the local residents views or in to account and the amount of traffic going through Rhoose and Port Road and have not taken in to account the new college, and the amount of traffic disruption it will have on the residence of Rhoose.

According to your RLDP it saying you would be able to walk to the train station in 15 min, that will not happen if you are elderly or disabled, so your active trave proposals are ridiculous, and there are no bus going to Celtic way and Readers. And there is just 1 bus very hour and 1 train every hour,so how will people get to work if they do not drive.

you say that the to school in Rhoose would have capacity that is not true Rhoose Primary school is full and South Point has capacity for 90 more pupils and the secondary school is full in Cowbridge so where will all the new kids go

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
