QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

Comments:

I support the allocation of section 2782 (Pantiles). This location is perfect due to it being next to the main road through the village of colwinston. This location is not in the middle of the countryside and will have great access into the wider village.

Having new development on this land will help grow other facilities such as the local village farm shop and cafe, the public house, the church in wales primary school and other clubs such as youth club and after school clubs for children.

The land is perfect for bringing affordable housing into the area, according to the LH/MA they state that there is a clear need for affordable houses in the area. Having cheaper options in the area will help the younger generation to purchase homes in the village they have grown up in. This contributes to more generations staying in the community and not having to move away to other locations due to housing prices.

This land supports the Active Travel in Wales Act (2013) as there is an active footpath, encourage all ages of people to exercise through walking, going for a run and cycling in the village. This will contribute to overall health and wellness of those living in the area.

Allocation of section 2782 (Pantiles) is land not on a flood plane, this being a ideal location as the affordable homes will not have the risk of flooding during the weather conditions that may present in the future.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
