Subject: OBJECTION to Housing Development -2299- Land to west of Maendy Road Aberthin

[REDACTED]
[REDACTED]

Please find my points below in objection to the above

1. An additional side road would increase existing traffic hazards through Aberthin 2. Field is not within existing village boundaries 3. 25 houses would represent 14% increase 4. Field is in Flood Zone 3 5. The RLDP special strategy directs housing growth to sustainable locations, with employment, services, public transport and infrastructure. THIS IS NOT ABERTHIN, WHICH IS A MINOR RURAL SETTLEMENT.

6. Insufficient capacity in Cowbridge Comprehensive School to accommodate RLDP forecasted additional 6 pupils from Aberthin development

Many thanks

Brigitte Miller (resident of Aberthin)
