Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Comments:

HG1 - KS1 Land at North West Barry:

The proposal to build 400 new homes at Weycock Cross is an ill-conceived and hasty decision on behalf of the council. The journey from Rhose to Weycock cross should take 10 minutes, however it is currently taking 40 minutes. This is without 400 new people, and potentially 800 new cars travelling at the same time. The journey would become totally unbearable, and at present there are no ideas or feedback to suggest how this problem could be helped. With Weycock cross being one of the only ways to get to the 5 mile lane, a main road which links to the M4, this will continue to be a large cause for concern.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
