Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

Comments:

Planning Reference: HG1 KS2

250+ new houses, Cardiff Road will increase traffic, so busy in the mornings during the week but also on the weekends. With the current traffic it can take up to 5 minutes trying to get out of my estate and onto the main road through Dinas Powys.

The roads are not fit for purpose with all the pot holes and having to swerve to avoid hitting them, but with a potential of an extra 300-500 additional cars the roads will need resurfacing weekly which no doubt the council will increase our council tax even more.

Dinas Powys infant school is on the main road and I'm sure the air pollution is currently already high putting the lives of the children at risk.

I really enjoy living in Dinas Powys village - seeing green land instead of concrete / houses which could potentially be the case in the future.

Please think of us residents and not just about making money from these housing developers!

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Comments:

The closest Welsh primary school is Pen y Garth in Penarth and high school is Bro Morgannwg in Barry - school transport would need increasing and more traffic along Cardiff Road if families are wanting to send children to Welsh schools.
