DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

2: Your Views

QUESTION 1:

What are your thoughts on the Deposit RLDP (e.g. policies, site allocations)?

Please state which site reference, policy or paragraph number your comments refer to. If you are commenting on more than one site, policy or paragraph, please use a separate sheet for each one.

Comments:

Draft RCS2 sets out three criteria for new A1, A2 or A3 uses on new sites or existing retail areas which are as follows:

1. *"It can be demonstrated that there is an additional need for the proposal which cannot be provided within an existing retail, commercial and service centre; and*
2. *The proposal would not either individually or cumulatively with other recent or proposed consented developments have an unacceptable impact on the trade, turnover, vitality and viability of the retail, commercial and service centres.*
3. *The proposal would serve local needs in a neighbourhood or rural village."*

We consider the policy should read as follows:

"1 It can be demonstrated that there is an additional need for the proposal which, when applying the sequential approach to locating development as outlined in national guidance, it has been demonstrated that the site is sequentially preferable; and

2 The proposal would not either individually or cumulatively with other recent or proposed consented developments have an unacceptable impact on the trade, turnover, vitality and viability of the retail, commercial and service centres.

3 Proposals serving only local needs should be of a scale and type which does not undermine the vibrancy, attractiveness and viability of neighbourhood centres."

Please attach additional pages if required.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain

Yes	☒	No	☐	Don't know	☐	No Comment
-----	-------------------------------------	----	--------------------------	------------	--------------------------	------------

Comments:

The Deposit Plan does not contain a policy which seeks to promote the Welsh language, nor is the promotion of the Welsh language referenced in other Deposit Plan policies where this may be appropriate.

Developers should be encouraged to promote the Welsh language where this may be reasonable and appropriate.

Please attach additional pages if required.
