Vale of Glamorgan Replacement Local Development Plan 2021-2036

DEPOSIT PLAN CONSULTATION

Public Consultation Representation Form

The Council is seeking your views on the Replacement Local Development Plan (RLDP) **Deposit Plan**. The Deposit Plan is the next formal stage in the development plan preparation process and expands on the Preferred Strategy which the Council consulted on in December 2023 – February 2024.

The Deposit Plan is the full draft version of the RLDP, detailing the **overall strategy, development policies, land designations** (e.g. conservation) and **specific land allocations** for development (including new housing and employment sites) over the 15-year period 2021-2036.

The public consultation will run for 6 weeks between **Wednesday 28th January 2026 and Wednesday 11th March 2026**. Representations received after this time will not be considered.

Full details of the consultation are available on the Council's website at: www.valeofglamorgan.gov.uk/ldp or by scanning the QR code above.

The Council encourages representations on the Deposit Plan to be made via our **online consultation portal** available at <https://valeofglamorgan.oc2.uk/> however representations submitted using this form will also be accepted.

Representations are welcomed in both Welsh and English and this representation form is available in other formats on request e.g. Welsh, large print.

Comments:

The settlement boundary, defined by Policy SP2, excludes allocation site SP12 'Land at Bridge House Farm, Llanmaes, Llantwit Major' which is for a retail foodstore. Instead, the draft allocation abuts, but lies outside, the settlement boundary as currently drawn. Although draft Policy SP3 states that "*Areas outside settlement boundaries that are not allocated or protected for a specific use will be defined as countryside*" we consider the settlement boundary must be extended at this location to include the allocation. Its exclusion is illogical and would fail to reflect the 'on the ground' position when this allocation is delivered. Moreover, its exclusion could confuse and may constrain any future minor development changes at the site (e.g. those needed to meet operational needs the subject of any planning application).

The draft proposals map shows the allocation as a dot which does not cover the full extent of the allocation. See below:

By not including the extent of the site/allocation within the defined settlement boundary, the draft plan fails to recognise the allocation will form an important part of the settlement, the delivery of which is crucial to meeting identified needs. Accordingly, we believe this fails Test 2 (Is the plan appropriate?), and it may fail Test 3 (Will the plan deliver) as its exclusion from the boundary may unduly impact the future site operation.

QUESTION 2: WELSH LANGUAGE

We would like to know your views on the effects that proposals in the Deposit Plan would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English. Do you think that there will be any impacts, either positive or negative? Please explain
